

# *Storm Drain Marking*

# *YOU CAN HELP KEEP OUR WATER CLEAN BY MARKING STORM DRAINS*

# *Storm Water-drains to the river*

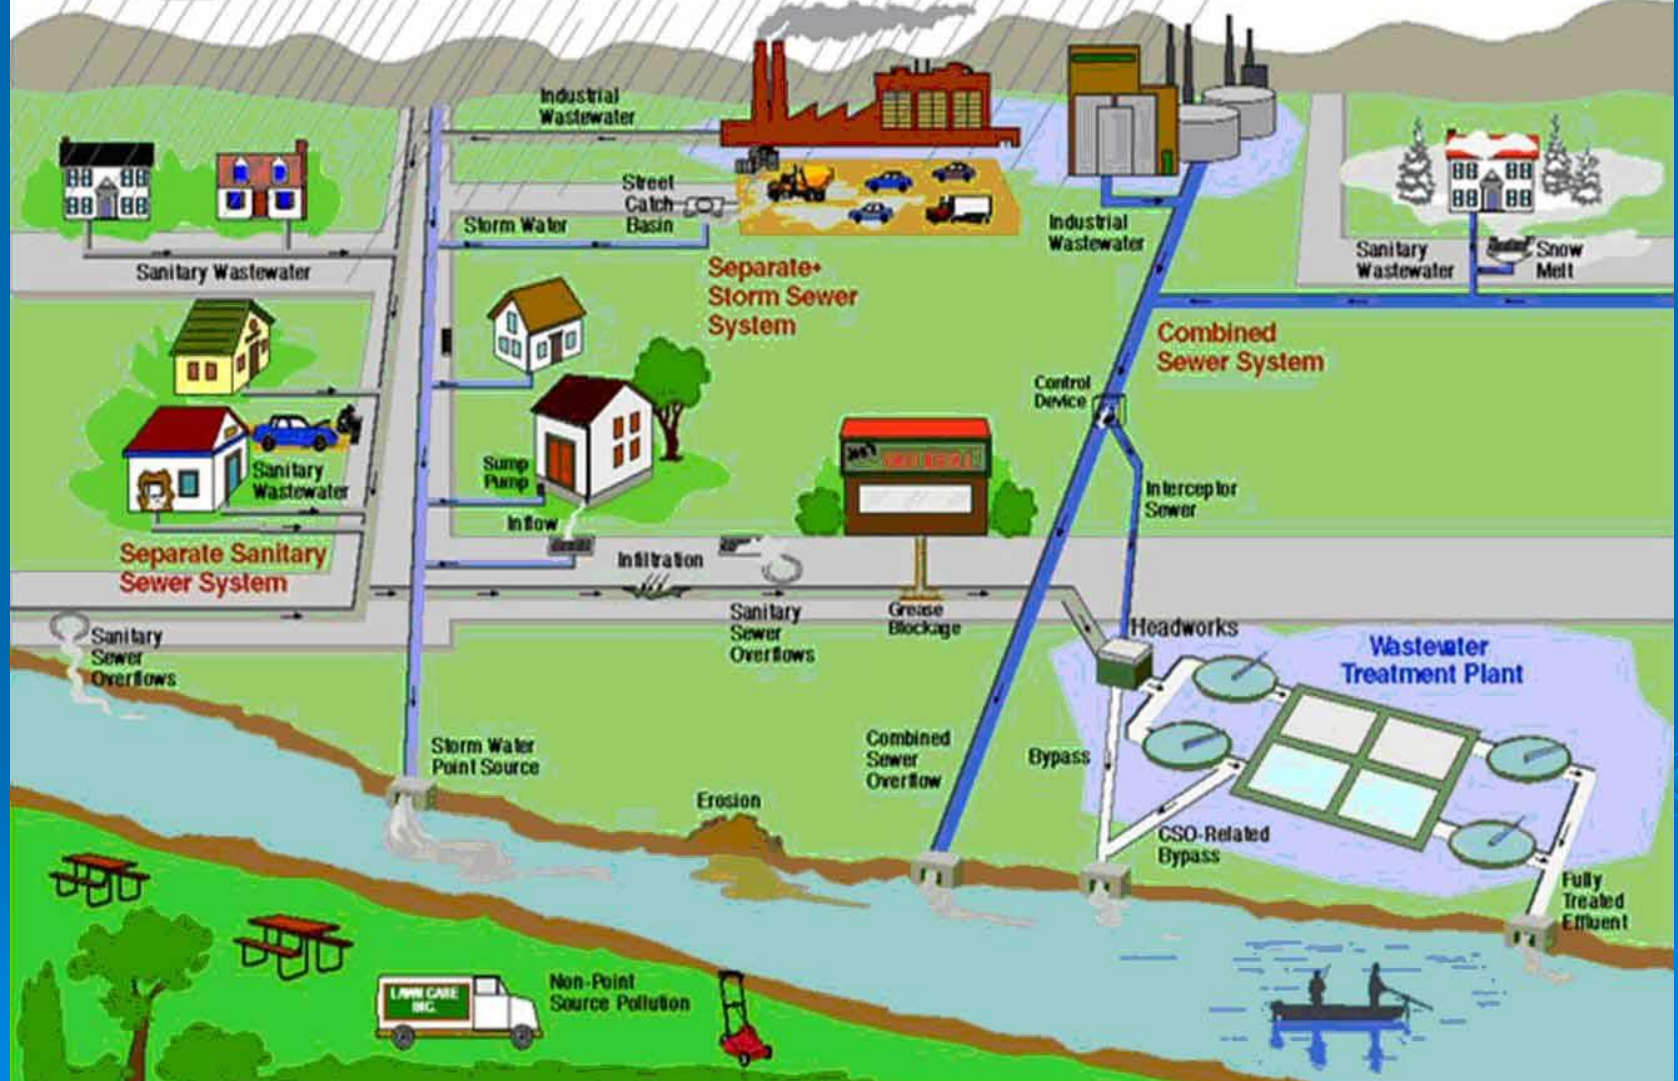

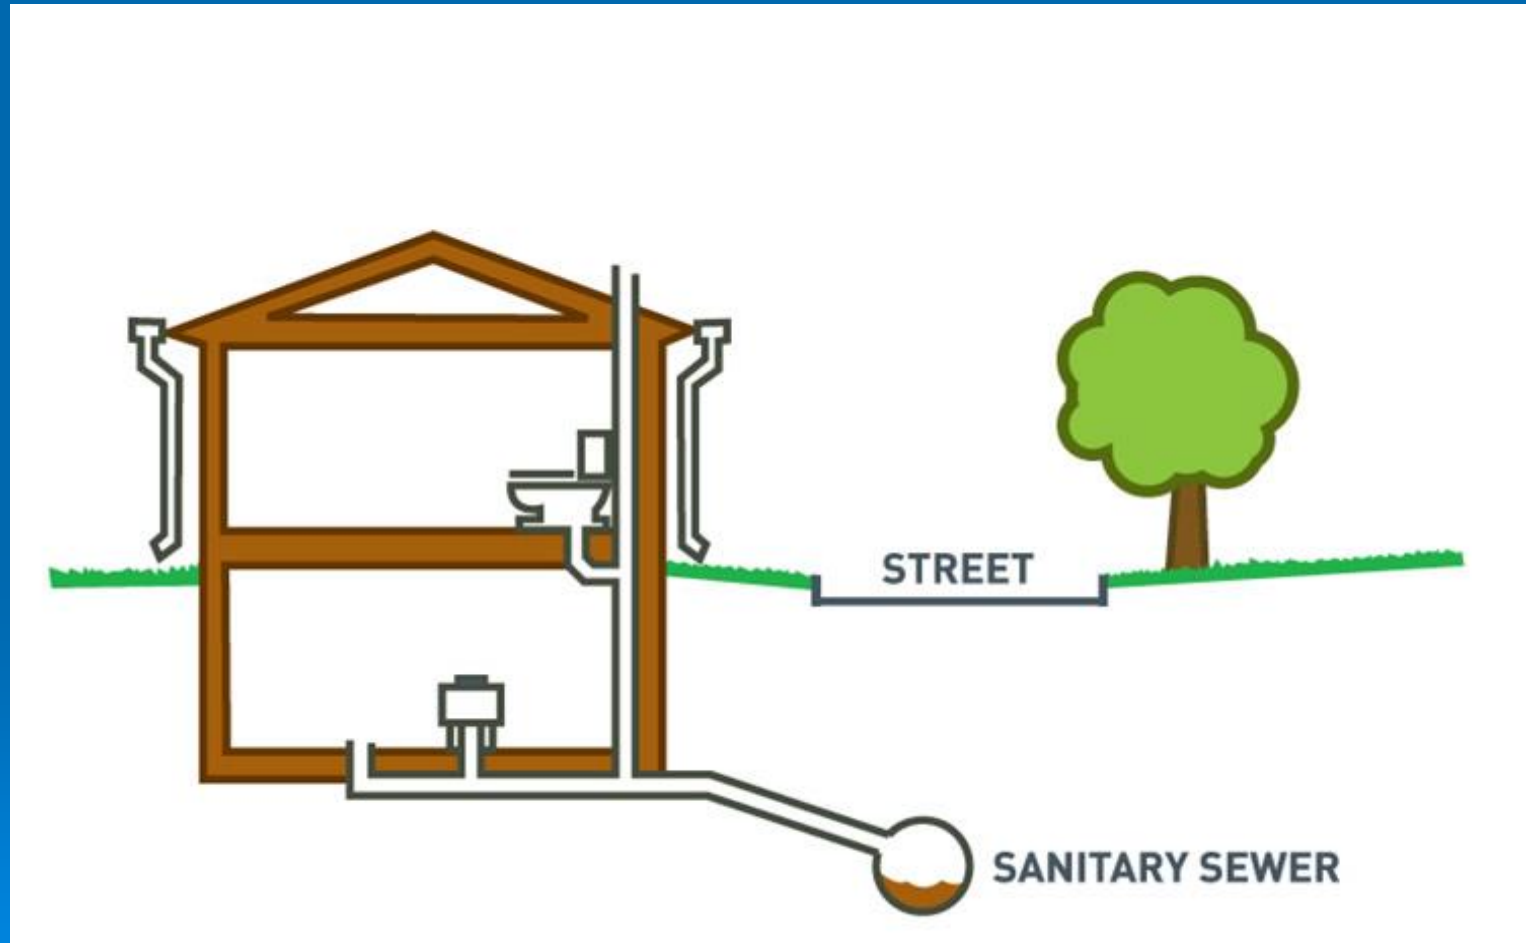

# *STORM WATER DRAINS TO THE LAKE*

# Urban Wet Weather Flows

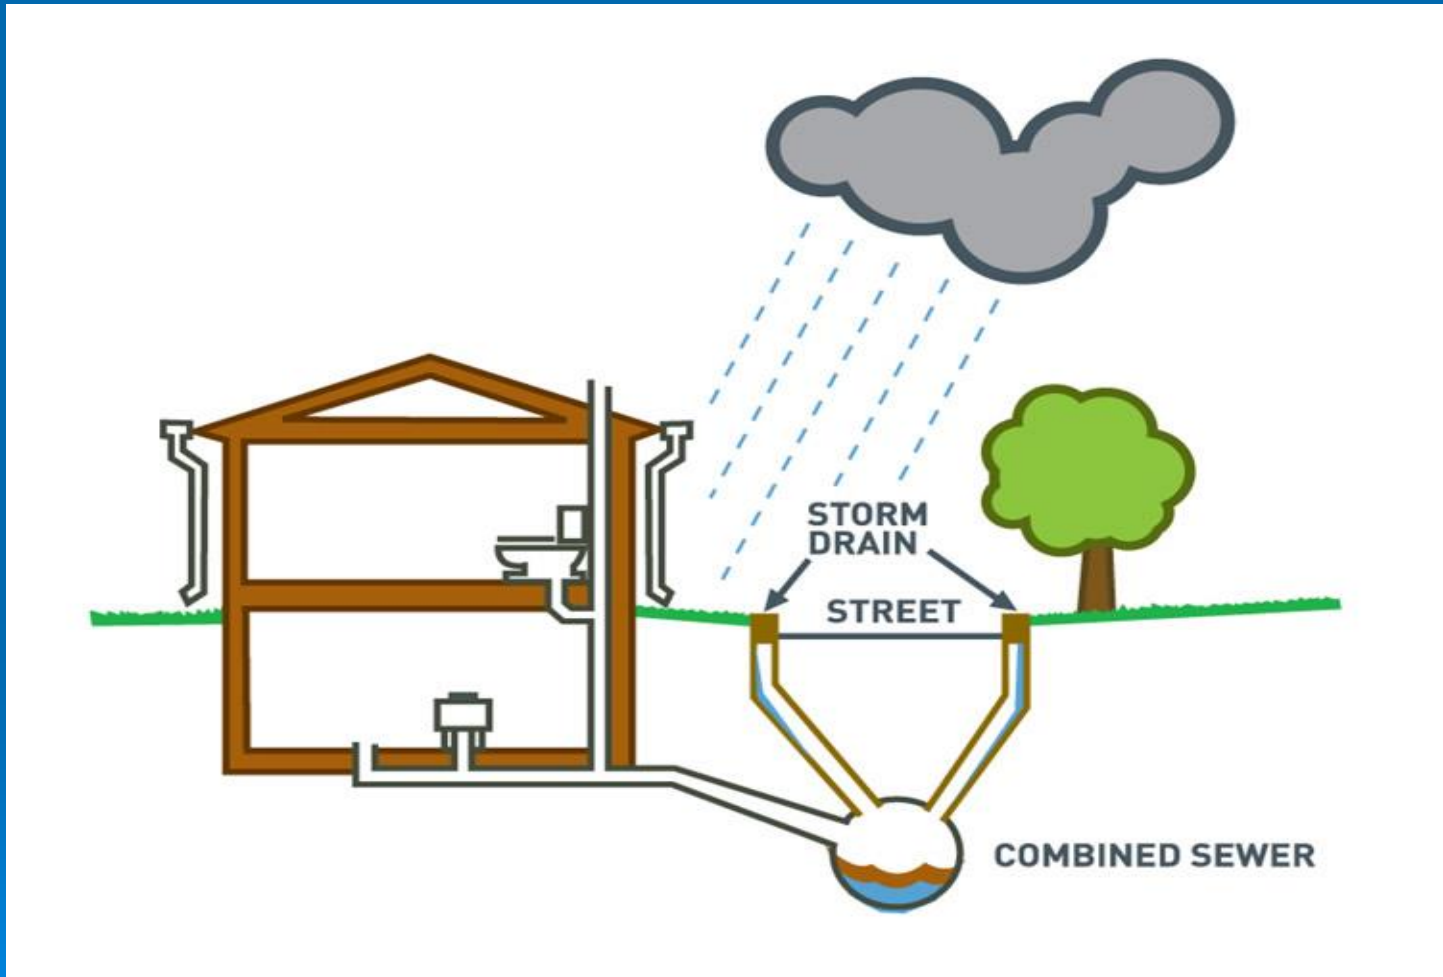

*SANITARY SEWERS ARE DIFFERENT-THEY  
CARRY THE WASTE FROM OUR HOUSE  
TO THE TREATMENT PLANT*

# *SOME COMMUNITIES HAVE COMBINED SEWERS*

***THIS IS A MANHOLE COVER FOR A  
SANITARY SEWER***

# *WE CAN HELP KEEP OUR STORMWATER CLEAN*

Learning Activities that Scouts and Community Groups  
Can Enjoy.

Just ask Fred the Fish -

Without water,  
Life would be impossible!

# *THIS IS WHERE THE STORMWATER GOES IN*

**Storm drains can be labeled with stencils to discourage dumping**

*THIS IS STORMWATER WHEN IT  
COMES OUT,  
FLOWING INTO THE STREAM*

# *WHAT GOES IN MUST COME OUT*

# *Pollutants in our Storm water contribute to non-point source pollution*

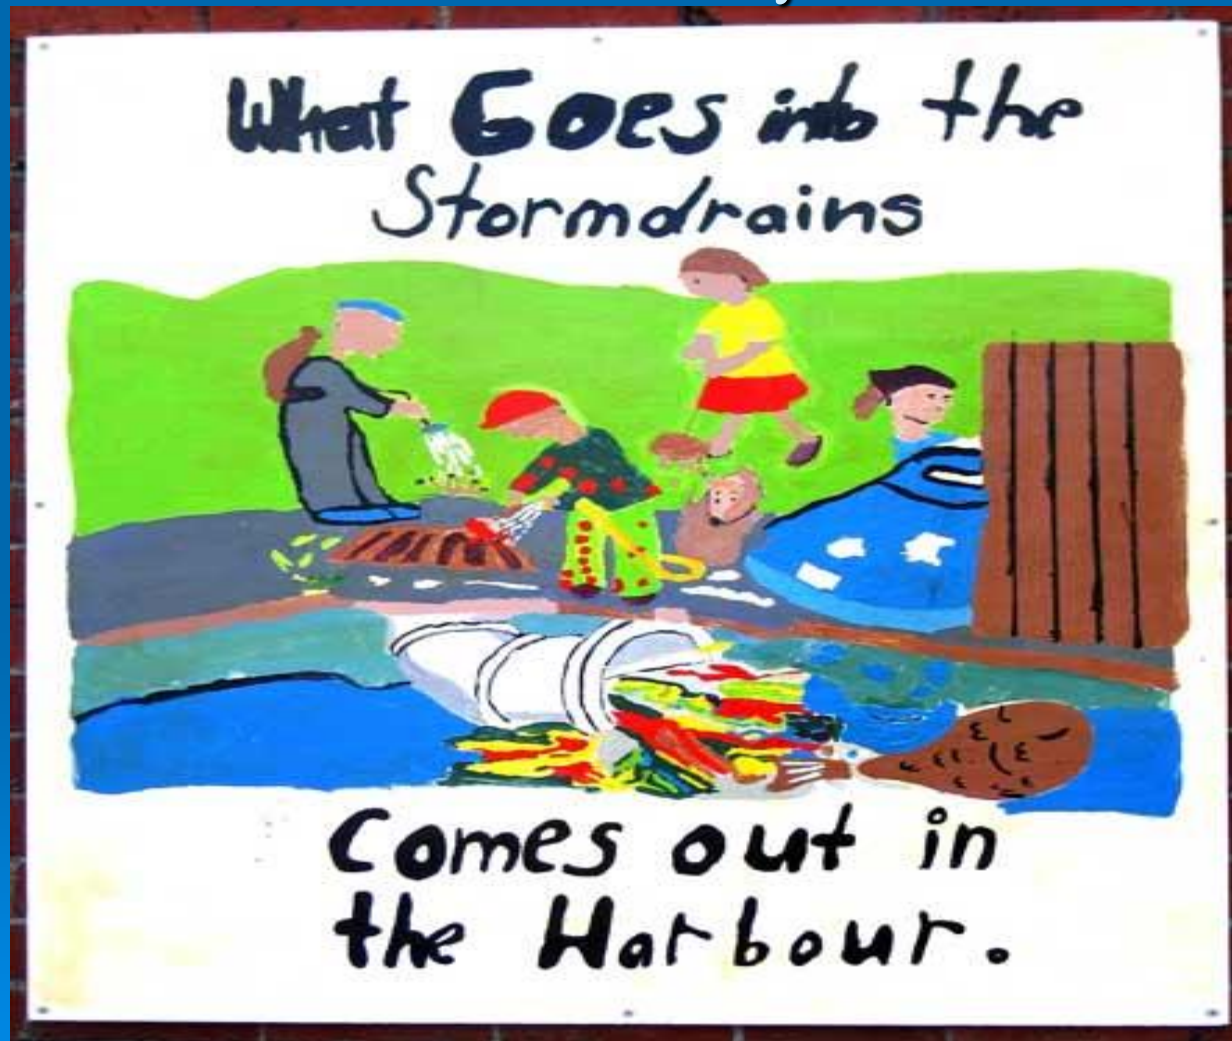

# *Keeping storm drains clean*

*Never dump litter,  
motor oil, animal  
waste, or leaves into  
storm drains.*

*You can help by marking the storm drains so that people notice them and don't dump*

# Brownies Marking Storm Drains
